

Estate Agency Mentoring,
Education & Training

EAMET SUBSCRIPTIONS

EAMET is specifically designed to provide you with knowledge of all aspects of the estate agency business - not just the nuts and bolts, but also the more in-depth detail. The focus of EAMET is to give you options to suit your business needs at this time, hence the 3 tier pricing structure.

1st Tier

Access to the web site and all the various Articles and gems of information therein, and much, much more – for a small monthly fee.

You may spend more money on buying 1 cup of coffee every day than you would have to spend to enhance your business with us.

2nd Tier

Access to our very powerful Business Planning Program. We have developed sophisticated and dedicated estate agency software that looks at the key areas of your business. It monitors these on a monthly basis with the intent of making marked improvements to those key areas and improving your business performance and profitability – for only a modest monthly fee.

It's not a case of can you afford it, rather one of can you afford not to do it.

3rd Tier

Personal Business Mentoring and Coaching. We work very closely with you on the specific areas of your choice. Because your business is unique, it requires a unique approach specifically structured to meet your needs.

Give us a call and we can discuss your wants and needs.

All our work comes with a Guarantee, so you can buy with confidence.
